- » SQL & NoSQL (MongoDB)

## EDUCATION

THE CODING BOOTCAMP CERTIFICATE PROGRAM, UNIVERSITY OF TEXAS AT AUSTIN  
Full-stack web development

MASTER OF MUSIC, BOSTON UNIVERSITY  
Music Performance - Voice

BACHELOR OF MUSIC, UNIVERSITY OF CENTRAL FLORIDA  
Music Performance - Voice

## PORTFOLIO HIGHLIGHTS

### AUSTIN MOVIE GEAR

A revitalized eCommerce site for a local Austin business that specializes in camera equipment rentals.

- » Built with **MERN Stack**, integrated **User Authentication** and **Stripe**. Used **React Bootstrap** for dynamic components. Part of a team of four.

### GRIPE//SUPPORT

A place to air out your feelings without judgment. Join a community of psyche caretakers.

- » Built with **Node.js**, **Express.js**, **Jest**, **Handlebars.js**, **SQL**, **mysql2**, **Sequelize**, **PaperCSS**, **bcrypt**, and **JavaScript**. Part of a team of four.

## SOUNDTRACKER

A search engine that allows users to search for a movie and return its soundtrack list, as well as lyrics and a YouTube video (as available) for each track.

- » Built with **RapidAPI IMdB API, Happi Music API, HTML, JavaScript, jQuery, and Bulma.** Part of a team of three.

## README.MD GENERATOR

A **Command Line** app that will generate a README file in Markdown after a series of prompts.

- » Built with **Node.js, Inquirer.js, and JavaScript.**

## E-COMMERCE ENDGAME

An **object-relational mapping (ORM)** app that builds the back end of an e-commerce site by taking a working **Express.js API** and configuring it to use **Sequelize** to interact with a **MySQL** database. GET, POST, PUT, and DELETE endpoints with an API client like **Insomnia**.

- » Built with **JavaScript, Node.js, Express.js, MySQL, and Sequelize.**

# PROFESSIONAL WORK EXPERIENCE

## PRIVATE WRITING AND LITERATURE TUTOR (2006 – PRESENT)

Knowledge of grammar, linguistics, and logic; sharp critical thinking skills. All make programming languages easier to understand. Experience teaching one-on-one.

## MUSICIAN, PERFORMER, SOPRANO (2011 – 2022)

Experience working in ensembles and operas, as well as with teams across different departments to produce the best version of a work by opening night (and beyond). Understand for which part of a production I am responsible, and how I may affect others' work. Learned discipline, precision, and how to listen.

## OPERA ORLANDO, STUDIO ARTIST (2019 – 2021)

Experience in performing, public speaking, and community outreach. Functioned as a cover for lead sopranos; learned how to practice music/performances efficiently to achieve rehearsal/performance deadlines.

## ORANGE COUNTY PUBLIC SCHOOLS, MEDIA CLERK (2019)

Experience in team management and leadership; streamlined textbook borrowing processes by reorganizing thousands of textbooks. Analog data management in form of creating new filing system to keep track of college textbooks. Responsible for theming and decorating the media center monthly; understand importance of a cohesive design across a large space.

## BERKLEE COLLEGE OF MUSIC BOOKSTORE, BOOKSELLER/CASHIER (2018)

Experience in retail. Customer-facing position. Developed an organizational strategy to stock returned inventory. Understand importance of ecommerce.
